

The Department has created a section out our tourism website where we are listing our businesses that are doing take out and curbside pick-ups. It is a work in progress as we are continually making edits.

If you feel like supporting a national grassroots campaign “The Great American Takeout” today, March 24, please do. We have been promoting it on social media.

The local businesses I have been in contact with are extremely thankful for the support and for getting the message out that they are open.

I have also added an outdoor area on our website discussing what people can do in the outdoors, responsibly of course. <https://www.waynecountytourism.com/featured-articles/outdoors-always-a-healthy-activity> This will also be out on social media channels.

Sincerely, Christine
